Equities MiFID II Liquidity Band Update as of 3 April 2023

Summary

Following the recent tick size regime publication from ESMA, Euronext is pleased to announce the availability of a new tick size for Equities. The new tick sizes will be effective on **Monday 3 April 2023**.

Euronext informs clients that, based on the updated [ESMA tick size liquidity band](#) assessment, the Euronext tick size tables will be modified as from Monday 3 April 2023.

These changes will lead to a purge of the central order book after market close on Friday 31 March 2023. Market members will need to re-submit their orders on the opening of the trading day on Monday 3 April 2023.

Members wishing to see the impact on a 'per equity' basis can download the new tick size simulation from the Euronext website: [Euronext new tick size simulation](#)

In case of any questions, please contact the Client Support team.
